### **Description of Music**

Tell us about your group, including your style of music, number of band members, how long and where you have played locally, etc. If your group is selected, this information may be used to describe and promote your group in local advertisements and event brochures.

## **ELECTRICAL / SOUND REQUIREMENTS**

Groups are responsible for insuring their performance equipment will not exceed the available power (all venues have a minimum of 20 amps). If you need additional power, please list your requirements below. Musical groups will be required to bring any and all required elements (mics & stands, power strips, music stands, stools, monitors, etc). SAACA usually provides PA, Monitors, backline and lights for most of our events. Since each event is different, we will be in contact with you to discuss exactly what is needed from you. If you are to provide your own PA System, then your output levels should allow for conversation at 75-100 feet and your performance should be virtually inaudible at 600 feet.

Additional lines required:  for a total of  amps

## **OUR POLICY**

It is the policy of this organization to provide equal opportunities without regard to race, color, religion, national origin, gender, sexual preference, age, or disability. SAACA does not intend to make an audio recording of your performance; however by accepting a position you authorize and release SAACA to take photos during your performance for promotional purposes
